

Who's Guarding You & Your Research?

Peroxigard™ Concentrate for use in Life Sciences

One technology for all your facility's cleaning and disinfection needs. Remains effective for 90 days once diluted. No activation required.

Efficacy

Cleans and achieves disinfection contact time compliance against pathogens of concern in one step. Two times faster than leading concentrate disinfectant products.

Safety

Designed with animal safety in mind. Fragrance free, non-irritating, non-corrosive and superior metal compatibility at the in-use dilution.

Simplicity

Eliminates multi-product programs and activation time, improving productivity and compliance.

1 Gallon (3.78L)
1 gal

One-Step Disinfectant Cleaner & Deodorizer formulated with Accelerated Hydrogen Peroxide®

Peroxigard™ Concentrate utilizes Accelerated Hydrogen Peroxide®, a patented and synergistic blend of commonly used ingredients, that when combined with low levels of hydrogen peroxide dramatically increase its efficacy and cleaning performance.

Peroxigard™ Concentrate is a simple and effective way to clean and disinfect floors, ceilings and walls within your life science research setting. Our revolutionary technology streamlines your process with no multipart mixing, no activation and has a long shelf life once diluted reducing waste.

Effective against the following pathogens* in as little as 5 minutes

Bactericidal

Klebsiella pneumoniae; Methicillin-resistant Staphylococcus aureus (MRSA); Salmonella enterica; Mycoplasma orale

Virucidal

Murine Parvovirus; HIV Type 1; Rotavirus; Poliovirus Type 1

Fungicidal

Microsporium canis; Trichophyton interdigitale

Peroxigard™ Concentrate is proven to remain effective in the presence of a 5% soil load, providing disinfection confidence.

FOR USE IN:

- Vivariums
- Breeding facilities
- Lab Animal Research facilities
- Life Science laboratories
- Animal Examination rooms

FOR USE ON:

- Floors, ceilings, and walls
- Lab benches and exam tables
- Cages, crates, and carts
- Animal housing areas

SHELF LIFE

- 3 years (Opened/Unopened)
Remains effective for up to 90 days once diluted

AVAILABLE FORMATS

- 1 gal, 5 gal, 55 gal
(EPA Reg No. 74559-4)
